

The County of Dane

Proclamation

- WHEREAS;** energy efficiency is the art of getting the same or better performance using less energy – all while cutting utility bills for residential, business, and industrial customers; and
- WHEREAS;** reliable, affordable energy is vital to our economic prosperity and energy efficiency is the most productive and cost-effective way to meet our energy needs; and
- WHEREAS;** implementing clean energy policies and programs helps boost economic opportunities and job creation while continuing to move toward a sustainable future; and
- WHEREAS;** cutting energy waste saves U.S. consumers billions on their utility bills annually, up to \$500 per household from appliance efficiency standards alone; and
- WHEREAS;** more than 2.2 million Americans work in the energy efficiency sector in local, good-paying, clean energy jobs that can't be outsourced and increasing efficiency will create more of them; and
- WHEREAS;** smarter energy use reduces the amount of electricity we need to power our lives, which helps avoid power plant emissions that can harm our health, pollute our air, and warm our climate; and
- WHEREAS;** a nationwide network of energy efficiency groups and partners has designated October 5th as the national annual Energy Efficiency Day; and
- WHEREAS;** together the residents of Dane County can continue to contribute to our sustainability efforts by learning more about energy efficiency and practicing smarter energy use in their daily lives;

NOW, THEREFORE, BE IT RESOLVED THAT I, Joe Parisi, Dane County Executive, do hereby proclaim **October 5th, 2018 as Energy Efficiency Day** throughout Dane County, Wisconsin.

Signed this 5th day of October, 2018, in
County of Dane, State of Wisconsin.

Joseph T. Parisi, Dane County Executive
