

**PROCLAMATION DECLARING OCTOBER 5, 2018
TO BE ENERGY EFFICIENCY DAY
IN THE CITY OF HYATTSVILLE**

This proclamation declares October 5, 2018, to be Energy Efficiency Day in the City of Hyattsville, recognizing that together we can all contribute to sustainability efforts by learning more about energy efficiency and practicing smarter energy use in our daily lives.

WHEREAS, energy efficiency is the art of getting the same or better performance using less energy – all while cutting utility bills for residential and business customers; and

WHEREAS, reliable, affordable energy is vital to our community's economic prosperity and energy efficiency is the most productive and cost-effective way to meet energy needs; and

WHEREAS, smarter energy use reduces the amount of electricity we need to power our lives, which helps avoid power plant emissions that can harm our health, pollute our air, and warm our climate; and

WHEREAS, a nationwide network of energy efficiency groups and partners has designated October 5 as the national annual Energy Efficiency Day;

NOW, THEREFORE BE IT RESOLVED, that our City Council recognizes October 5, 2018, as Energy Efficiency Day in the City of Hyattsville, and urges residents to join in supporting clean energy goals and moving toward more energy efficiency now and in the future
